JOBS FOR

NURSES IN GERMANY!

**Would you like to work as a nurse in Germany?
Find more information on your career options here**

In Germany, the title “Pflegefachfrau/-mann” or “Pflegefachperson” is now used for nurses, which includes health and nursing care, paediatric nursing and geriatric nursing.

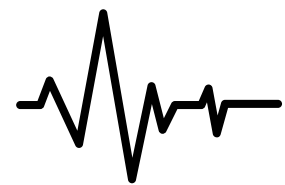

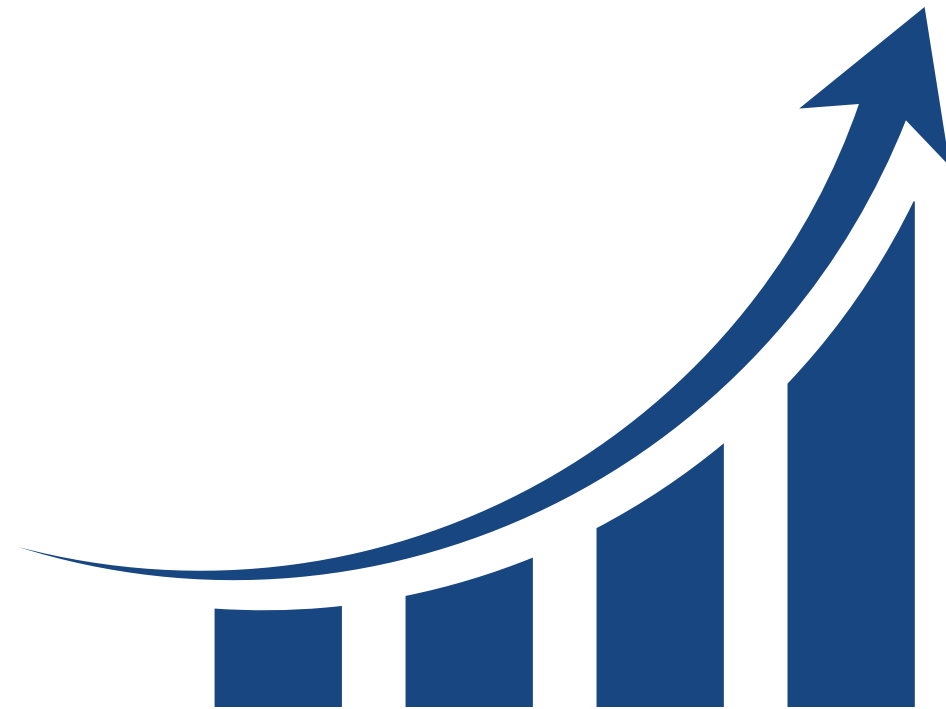

Our Recruitment Program for Nurses is completely Free of cost and the Nurses will only spend for their training and visa application which is refundable in Germany by the BAMF Bundesamt für Migration und Flüchtlinge.

Germany has been facing a nursing shortage for years, and the situation has worsened in recent years.

Germany has a significant demand for qualified nurses, with an estimated shortage of over 40,000 nurses by 2030 and this is expected to continue to grow. This means that there are many opportunities for nurses to find work in a variety of settings, including hospitals, care homes, rehabilitation centers and other healthcare facilities.

Europe Careers has placed 600+ Nurses from different countries in Germany and currently has 1000+ Vacancies for Nurses in Germany
